## State Cup Game Reports (Match Cards)

Prior to each State Cup game, BOTH teams need to log in to their GotSport and print out the GotSport State Cup Game Report. Instructions for doing so are below. **Please note that game reports will not be available until sometime after 1:00pm the day that a team's roster freezes.**

Both teams should present the referees of their games with the State Cup Game Report that they print out.

The official submission of game reports is done online, however, the referees do need the physical copies from GotSport. The GotSport game reports will be retained by the referees for their use in recording game information online (the winning team does not keep a copy to mail to MSYSA, however both teams are advised to take a picture for reference later).

## How to Print Off a State Cup Game Report

Follow the instructions posted at <https://gotsport.zendesk.com/hc/en-us/articles/360052832054-How-to-Print-a-Match-Card>.

Please note that GotSport uses the term 'match card', and MSYSA uses the terms 'game report' and 'match cards' interchangeably.
