

Club/League Administrator Resource for International Transfer Clearance (ITC) Questionnaire and GotSport

- To complete the ITC Questionnaire in GotSport, a player's parent/guardian will need to log into their GotSport account. If they do not know their login or have never logged in on their own (not unusual if your club/ league does not use GotSport Programs for registration) they can simply go to <u>system.gotsport.com</u> and use the Forgot Password tool to get a link to create a new password for the account.
- If the Forgot Password tool does not work, please have the parents follow <u>these instructions</u> for getting help directly from GotSport. They can send them login information and connect them to their player's account if necessary.
- If the player does not have a parent or the correct parent connected to their account, or just to check if they are asking, got to Club Management > Players > click into desired player account > click the 'Family' tab on the left. There you should see the parent(s) associated with the player in GotSport. Then you can add a parent, remove a parent or share with a questioning parent, what account they are connected with.
- Detailed instructions for logging in and completing the form can be found <u>here</u> and can be shared with your players' families.
- If a family cannot access the questionnaire or your club would prefer to complete it on the family's behalf, Go to Club Management> Players > click on the player's name > click 'Requirements' on the left > click 'Details' next to the ITC Questionnaire requirement > click 'Submit New Report' > provide the player information including their contact email (available in the profile) answer the questions, sign and 'Submit'.
- If the family has mistakenly identified their player as needing ITC but truly does not, you can reach out to MSYSA (itc@michiganyouthsoccer.org) or approve that player's requirement yourself. To approve their requirement, go to Club Management > Players > click into player profile > Click into 'Requirements' on the left > click 'Details' next to the questionnaire requirement > click on the blue ID number under report history > use the dropdown to choose 'Approved' and click 'Update'. Please be reminded that it is the club's responsibility to ensure that players are eligible for competition.

• As an administrator, your club/league may want to filter for players with their requirement in 'review' or for those with an approved ITC status. Under Club Management > Players:

To search for players that have completed their questionnaires that need ITC, filter like this:

Player Seasonal Year V	ls	~	23/24	~	Û
Player Affiliate Name	ls	~	All selected (2) -		D
Player International Transfer Clearance (ITC) Questionn \checkmark	ls	~	Review	~	٠

• To search for players that have already been approved for ITC, filter like this:

Player Seasonal Year	~	ls	~	23/24	~	۵
Player Affiliate Name	~	ls	~	All selected (2) -		۵
Player ITC Status	~	Is	~	Approved	~	۵.

• Players that have not yet completed the ITC Questionnaire will show as 'Required' under the Requirements in their profile.
